Counts	115	83	18
Comments made (see separate tab)	4	13	2

<b>Q8. Do you agree with the community facilities policy? If not, what do we need to change?</b>	Agree	Disagree	Blank
Counts	115	88	8
Comments made (see separate tab)	5	7	1

Q9. Of the possible housing options proposed, please rank each between 1 and 5, where 1 = very suitable for development, 5 = not suitable at all.							
	1	2	3	4	5	Blank	Count
a) land E of Franwill Industrial Estate – smaller site	44	10	16	9	27	9	115
b) land E of Franwill Industrial Estate – additional area	27	13	14	9	40	12	115
c) land N of Manor Farm Close – smaller site	37	15	19	9	25	10	115
d) land N of Manor Farm Close – additional area	22	10	15	7	49	12	115
e) Land at the top of Berkeley Rise – smaller site	28	29	13	10	22	13	115
f) Land at the top of Berkeley Rise – additional area	15	17	15	15	41	12	115

Q10. If land east of Franwill Industrial Estate is allocated for development, do you agree with the issues that need to be addressed (as set out in the overall conclusions)? If not, what issues have we missed or got wrong?				Agree	Disagree	Blank	
Counts				115	64	36	15
Comments made (see separate tab)				5	32	3	

Q11. If land north of Manor Farm Close is allocated for development, do you agree with the issues that need to be addressed (as set out in the overall conclusions)? If not, what issues have we missed or got wrong?				Agree	Disagree	Blank	
Counts				115	71	31	13
Comments made (see separate tab)				5	27	3	

Q12. If land at the top of Berkeley Rise is allocated for development, do you agree with the issues that need to be addressed (as set out in the overall conclusions)? If not, what issues have we missed or got wrong?				Agree	Disagree	Blank	
Counts				115	84	17	14
Comments made (see separate tab)				3	14	2	

Q13. Do you consider that the Neighbourhood Plan group were wrong to discard any of the housing option sites? If so, which ones should be reconsidered and why?				Right to discard	Wrong to discard	Blank	
Counts				115	70	33	12
Comments made (see separate tab)				0	28	1	

Q14 (a). Do you consider that the small extension south of Taymi should be included as an employment allocation (and therefore not part of the important open gap)?				Yes	No	Blank	
Counts				115	69	32	14

Q14 (b). If allocated for development, do you agree with the issues that need to be addressed (as set out in the overall conclusions)?				Agree	Disagree	Blank
	Counts	115		87	14	14
	Comments made (see separate tab)			5	8	3

Q15. Do you consider that the Neighbourhood Plan group were wrong to discard the larger extension to Taymix? If so, why?				Right to discard	Wrong to discard	Blank
	Counts	115		70	33	12
	Comments made (see separate tab)			1	28	0
