

Pimperne Neighbourhood Plan

The Government is keen to hear what you think about the plan.

Our informal consultation indicated that local residents were broadly happy with the plan. We are now consulting formally and with statutory consultees as a final 'check' before submission. This survey is also available for completion online at www.pimperne.org.uk. The comment sheet is intended to assist people in responding to the consultation. You can choose to comment on all or any of the policies, and there is a section at the end for general comments (and you can add extra pages). Alternatively you can write or email in, but please include your name and address, refer to the policy or page that you are commenting on, and be clear what changes you think should be made and why. Please keep your responses as concise as possible.
